5<sup>th</sup> February 2021

## School Update 05/02/2021 / Remote Learning Survey

Dear Parents,

We are about to enter into our final week before the half term break. I am sure that for the many of you who are supporting your children with their remote learning you will be ready for a break!

You have done an amazing job since Christmas, juggling so many roles and learning many new skills to support your child's learning. In fact, when I see the quality of some of the work on Seesaw I think some of you should join our profession!

We thoroughly commend and thank all of you for your patience, flexibility and support as we have transitioned, once again, to remote learning.

We have tried to offer remote learning which is flexible to the varied needs and contexts that different families find themselves in and feel that we have developed a strong strategy for this Lockdown.

On Monday 22<sup>nd</sup> February, the day that school begins again after the February half-term, the Prime Minister is aiming to set out plans for the return of more children back to school from Monday 8<sup>th</sup> March.

At this stage we do not know whether this will be all Year Groups or whether it will be done in stages with a few year groups first – as is happening in Scotland and Wales.

Therefore, we are keen to hear the views of all families across the school who are engaging in remote learning on how they are finding the experience.

So please follow this [link](#) to complete the survey. Please complete for each child you have in school.

It looks from the current forecast like we may be in for some more snow this Sunday. For those still coming to school please check your email and the website for information.

Have a good weekend.

Mr Farrugia
