5th January 2022

Dear Parents,

I very much hope that you have managed to have some quality family time over the holidays and that your child(ren) are rested and ready to return tomorrow, Thursday 6th January 2022.

Whilst we will continue to do our very best to mitigate the issues surrounding the covid virus, our aim is to run the school as near normal as possible. Arrangements, such as ventilation and good hygiene practices will remain as before.

We will review school events and adjust where necessary but our aim will be to maintain as much normality as possible.

As you are aware the government revised their guidance around isolation and have announced today further changes from 11th January 2022. Please follow the guidance you have been given at the time if you or a family member tests positive for the virus. Guidance and support can be found on the government website -<https://www.gov.uk/coronavirus>

Thank you in advance for your support.

Mr Farrugia
